

## Important Information – PLEASE READ ALL!

It was decided last Wednesday night that we will continue conducting our worship services at the Richlandville Community Center. However, due to occasional conflicts with the availability of the community center we will be meeting in the Richlandville Elementary School Cafeteria on these dates...

TODAY  
 NEXT SUNDAY, Aug. 31  
 Sept. 14  
 Oct. 5  
 Oct. 12  
 Dec. 14

\*\*\*On these dates, all of the Sunday Services will be held in the cafeteria (Sunday school – 10 a.m., Worship Service – 11 a.m., Evening Worship – 6 p.m.). ALL WEDNESDAY NIGHT SERVICES WILL BE AT THE RICHARDSVILLE COMMUNITY CENTER. Other than the dates listed above we will have our services at the Richlandville Community Center. If you are confused about when and where we are worshipping on a certain date, please see one of the elders.

Let's all try to remain as positive as possible during our inconvenience. Remember that it doesn't matter where we worship, God loves us and we can praise his name at any location we decide to meet. All of this will only continue to make our congregation stronger. Let's continue to keep our attendance up (EVERYONE KEEP ATTENDING) and let's study and learn more about our Savior. It is certainly encouraging to see our numbers going up. We had over 40 members present for our midweek service. Let's all continue to stay involved and praying for our congregation.

You don't know how much I appreciate the pictures posted on the Mt. Zion website. I just can't believe the fire happened! Not being able to see it with my own eyes, I depend on the pictures to convince me the building's gone. We all have lots of good memories from the past of services and activities at the building to cherish, and those can't be destroyed by fire or anything else. Thank God Mt. Zion Church of Christ is still there, and I pray this will make it stronger and more determined to spread the word and add to it numbers. My congregation here in Sarasota, South Trail Church of Christ, is keeping Mt. Zion and Mt. Pleasant in its prayers. Give my love to the congregation and my encouragement to keep on keeping on.

Love,  
 Melodye Whalin

## Gary's Thoughts

By: Gary Hays

Last Sunday we shared our sadness and overwhelming feeling of loss. It was certainly a time for tears and embraces. We are dealing with a loss that in one way or the other will always remain with us.

But just over a week has gone by and plans are under way to rebuild. We must believe that God is working well for His glory out of our circumstances. Already the community, state and even the country is seeing that the fire is not defeating us and our congregation is pulling together the way God wants us to. Romans 8:28 (To see proof of this, on the Internet go to Google, enter MT. ZION CHURCH OF CHRIST + KY +FIRE and take a look at what has been written about us!)

In the last week we've seen God working through wonderful people who have offered their physical, financial, and emotional support. Our many thanks go out to them, especially the firefighters who worked tirelessly and courageously to contain the blaze. God is answering our prayers through them. He is a wonderful God.

On a personal note, events of the last week have made me proud to be a Christian, a member of His body, and very proud to be a part of His body at Mt. Zion. May God bless us, strengthen us, and keep us for our challenging work that is ahead.

## E-mail of Support

Dear brethren,  
I was sorry to learn of your fire. Our church building was destroyed by fire in 2001. God has since blessed us with a new and larger facility, and a growing congregation. But the time of "wandering in the wilderness" between buildings was not easy.  
May God bless and guide,  
Mark McLean, Minister  
Central Kitsap Church of Christ  
Silverdale, WA 98383
